

Information on incidents at the oilfields of OJSC "Surgutneftegas" in 2016

No.	Date of an incident	Place of an incident	Causes and effects of an incident	Area of the contaminated land and water bodies (ha), type of terrain	Measures taken in response to an incident	Administrative investigations on determination of guilt (penalties, claims)
1	12.01.2016 19:15	Area of well-pad No. 99, the Rogozhnikovskoye field (oil and gas pipeline incident, t. p. 15b – t. p. 2a)	corrosion, oil containing fluids spill	0.2490 dry land	<p>1. Oil spill localization</p> <p>2. Oil containing fluids pumpdown, contaminated snow gathering and removal</p> <p>3. Area reclamation in a snowless period.</p> <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 567.6 thousand.</p>	<p>1. The Northern Urals Department of Rostekhnadzor and Prirodnadzor of Yugra found OJSC "Surgutneftegas" innocent of the incident.</p> <p>2. Decision on the imposition of administrative sanctions of Department of Rosprirodnadzor for KhMAO-Yugra was revoked by the Decision of the Court of Khanty-Mansiysky Autonomous Okrug – Yugra due to the unproven circumstances and absence of guilt of OJSC "Surgutneftegas".</p>
2	30.03.2016 07:45	Area of well-pad No. 169, the Muryaunskoye field, "Oil pipeline from booster pump station No.1, the Turynskoye field, to tie-in point 1 of booster pump station No. 3, the Nizhnesortymyskoye field"	defrosting of a dead end decommissioned pipeline, spill of drilling fluid residues in snow.	0 snow cover	<p>1. Contaminated snow gathering and removal.</p> <p>2. The site survey conducted in a snowless period did not identify a need to perform reclamation as there was no soil pollution.</p> <p>The authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water.</p>	<p>Department of Prirodnadzor of Yugra found OJSC "Surgutneftegas" innocent of the incident.</p>

3	16.04.2016 12:45	16 km away from the town of Lyantor towards the city of Surgut Gas pipeline "Lyantor KSP – Surgut GRES"	construction defects, an explosion on the gas pipeline followed by dead wood fire	0 swamp	The scorched dead wood was removed from the territory. The cost of fire hazard mitigation and insurance payments to the fire victims totaled RUB 936.685 thousand.	1. Department of Rosprirodnadzor for KhMAO- Yugra and Prirodnadzor of Yugra found OJSC "Surgutneftegas" innocent of the incident. 2. Decision on the imposition of administrative sanctions of Prirodnadzor of Yugra was revoked by the Decision of the Court of Khanty- Mansiysky Autonomous Okrug – Yugra due to the unproven circumstances and absence of guilt of OJSC "Surgutneftegas". 3. The damage compensation claim was withdrawn by Prirodnadzor of Yugra due to the absence of guilt of OJSC "Surgutneftegas".
4	29.04.2016 07:30	Area of well-pad No. 137, the Rogozhnikovskoye field (Oil and gas pipeline t. p.- t. p. w. p. 137 d.159*6 L – 1,475 m; Reg. No. 12102209)	corrosion, oil containing fluids spill	0.1900 dry land	1. Oil spill localization. 2. Oil containing fluids pumpdown, contaminated soil gathering and removal. 3. Site reclamation. Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 4,261.05 thousand.	Prirodnadzor of Yugra inspected the site and found OJSC "Surgutneftegas" innocent of the incident.

5	06.05.2016 19:30	Area of cluster water injection pump station No. 5, the Fedorovskoye field (OIL PIPELINE BOOSTER PUMP STATION NO. 16-BOOSTER PUMP STATION NO. 3)	unauthorized opening of the blank flange (oil theft), oil containing fluids spill	0.0729 dry land, brook	<ol style="list-style-type: none"> 1. Oil spill localization. 2. Oil containing fluids pumpdown from water surface. 3. Site reclamation. <p>Upon completion of the land reclamation and water body treatment, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 9,771.57 thousand.</p>	<ol style="list-style-type: none"> 1. OJSC "Surgutneftegas" was found guilty in compliance with the Decision of Prirodnadzor of Yugra. The Company paid penalty of RUB 101,000. 2. The claim totaling RUB 2,861,662 was brought against OJSC "Surgutneftegas" to compensate for the damage done to forests. The claim was paid by the Company.
6	11.05.2016 19:45	Pollution of the unnamed lake within the town of Lyantor caused by unauthorized discharge of used oil by an unidentified person	unauthorized discharge of used oil by an unidentified person	0 shoreline of the lake, the lake	<p>In compliance with the OSR plan OJSC "Surgutneftegas" was notified of the oil (oil products) spill. The Company's facilities were not located in the specified area.</p> <p>The following measures were taken based on request of S.A.Makhini, the Head of Administration of the Town Settlement of Layntor, for the assistance to be provided:</p> <ol style="list-style-type: none"> 1. Spill localization with floating booms on the water surface. 2. Oil containing fluids pumpdown from water surface, shoreline clean-up. 3. Site reclamation. 	There was no administrative investigation conducted against OJSC "Surgutneftegas".
7	13.05.2016 03:42 am	Booster pump station No. 3, the Bystrinskoye field (Process pipeline Intake manifold No. 1 – entry into separators, d.720*10, L – 585 m; Reg. No. 12016687)	corrosion, oil spill to the industrial site	0 industrial site	<ol style="list-style-type: none"> 1. Oil pumping, gathering and removal of the contaminated soil from the industrial site 2. Clean soil delivery. <p>The environmental clean-up cost amounted to RUB 2,039.4 thousand.</p>	There was no administrative investigation conducted against OJSC "Surgutneftegas".

8	06.06.2016 09:50	Area of well-pad No. 27(68), the Zapadno-Surgutskoye field (OIL AND GAS PIPELINE W. P. – T. P. w. p. 189).	corrosion, oil containing fluids spill	0.0300 dry land	<ol style="list-style-type: none"> 1. Oil spill localization. 2. Oil containing fluids pumpdown, contaminated soil gathering and removal. 3. Site reclamation. <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 353.19 thousand.</p>	<ol style="list-style-type: none"> 1. Prirodnadzor of Yugra found OJSC "Surgutneftegas" innocent of the incident. 2. Decision on the imposition of administrative sanctions of Rosprirodnadzor for KhMAO-Yugra was revoked by the Decision of the Court of Khanty-Mansiysky Autonomous Okrug – Yugra due to the unproven circumstances and absence of guilt of OJSC "Surgutneftegas".
9	28.06.2016	Area of cluster pad No. 665, the Lyantorskoye field. Discharge of oil products into a lake by an undefined person.	discharge of oil products by an unidentified person presence of the iridescent film	water surface of the unnamed lake	<ol style="list-style-type: none"> 1. Oil products spill localization. 2. Lake surface treatment. <p>Upon completion of the lake treatment, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water.</p>	<p>OJSC "Surgutneftegas" was found guilty in compliance with the Decision of Prirodnadzor of Yugra for not notifying of the oil products spill. The Company paid penalty of RUB 20,000.</p>

10	02.07.2016 10:00	Area of well-pad No. 23, the Zapadno-Surgutskoye field (OIL AND GAS PIPELINE W. P. T. P. w. p. 702 – w. p. 14 (t. p. w. p. 23 – t. p. w. p. 22))	corrosion, oil containing fluids spill	0.7900 water surface of floodplain, floodplain surface of the Ostyatsky Zhivets creek	<ol style="list-style-type: none"> 1. Oil spill localization. 2. Oil containing fluids pumpdown, contaminated vegetation gathering and removal. 3. Site reclamation. <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water.</p> <p>The environmental clean-up cost amounted to RUB 6,883.97 thousand.</p>	There was no administrative investigation conducted against OJSC “Surgutneftegas”.
11	09.08.2016 15:00	Area of well-pad No. 134, the Zapadno-Surgutskoye field (HIGH WATER PRESSURE PIPELINE T. P. – T. P. w. p. 22 – w. p. 14)	corrosion, tank water spills	0.3700 dry land, water surface of floodplain of the Ostyatsky Zhivets creek	<ol style="list-style-type: none"> 1. Spill localization. 2. Contaminated water pumpdown, contaminated vegetation gathering and removal. 3. Site reclamation. <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 940.92 thousand.</p>	There was no administrative investigation conducted against OJSC “Surgutneftegas”.

12	08.11.2016 09:40	Area of single well No. 266, the Zapadno-Surgutskoye field Decompression of unauthorized junction into pipeline "OIL PIPELINE BOOSTER PUMP STATION-3 (V/S) – p. 20"	decompression of unauthorized junction into pipeline, oil spill	0.8153 floodplain of the Ostyatsky Zhivets creek	<ol style="list-style-type: none"> 1. Oil spill localization 2. Oil containing fluids pumpdown, contaminated snow gathering and removal. 3. Site reclamation in a snowless period. <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 6,432.21 thousand.</p>	Department of Prirodnadzor of Yugra found OJSC "Surgutneftegas" innocent of the incident.
